**HORSE RACE FOR
BIG PURSE TODAY**

Rivalry of Long Standing Between
Two Mesa Men Will Be Settled
at Fair Grounds.

A horse race with a purse of \$1,000 attached will be run at the fair grounds this afternoon at 3 o'clock. The horses are Romero, owned by O. Porter of Mesa, and Easter B., owned by Buck Stevenson of Mesa.

The race is the result of a prolonged discussion between the owners as to the relative merits of their horses. They began telling each other how fast their horses were over a year ago. About a week ago it was decided to try them both out on the fair grounds track. It is said that both Romero and Easter B. ran the half mile in under fifty. The owners are satisfied that the horses are evenly matched and so each put up \$500 toward a purse. In addition to this race there will be other pony races, some of them perhaps arranged on the spur of the moment. A delegation of Mesa farmers and others are coming over to witness the events. A general admission of 50 cents will be charged.

Supervisors—Ruth Lewis, domestic science; Lucile Kays, assistant domestic science; Lester R. Finch, manual training; Earl Rosenberry, assistant manual training; Ida J. Webster, drawing.

The position of supervisor of music has not been filled.
A graduate scale of salaries was adopted, ranging from \$75 for inexperienced teachers to \$85 for experienced teachers.

Of the teachers, one principal, one assistant principal and three others are new ones, the rest having served the district during the past year. Prof. Frank Greene will succeed Prof. Jantzen as principal of the Central building, and Prof. George Judson will be his assistant. When the new building on West Adams street is ready for use one of them will be made principal of that school and the other will be in charge of the Central building.

Prof. Greene taught the school at Silverbell during the past year, and gave such excellent satisfaction that the trustees offered him an increased salary to remain, but Phoenix seemed a greater inducement to him. Prof. Judson has been assistant principal in the Kalamazoo, Mich., schools during the past year. The other new teachers are Miss Ada Rock, who taught in Mesa City the past year; Miss Marcia Carter, honor graduate of the Tempe Normal a year ago and who has been teaching in Yuma during the past winter, and Miss Jessie Heermans, who is an experienced teacher.

AN ULTIMATUM.

"Let me see, Alice," said the old man to his eldest daughter, "young Blinkers has been calling on you regularly for six or eight months, hasn't he?"
"Yes, father," replied the fair Alice.
"Well," continued the anxious parent, "if he asks you to marry him when he comes tonight, tell him he wants to see me. Understand?"
"Yes, father," she rejoined.
"And if he doesn't ask you to marry him," added the old man, "just tell him that I want to see him."—Chicago News.

**WHEN WE TACKLE IT IN
EARNEST.**

"I have read," said the visiting foreigner, "that when you celebrate your Fourth of July in this country the destruction of life and property is appalling. Don't the people take any interest in bringing about a reform in the manner of observing the day?"
"O, yes," said the native; "we begin a crusade for a safe and sane Fourth the next day after the celebration, and sometimes we keep it up for three or four weeks."—Chicago Tribune.
